

Request for Proposals Asphalt Patching

May 7, 2026

Allyn Dannhoff
Director Of Public Works
920-748-4908
adannhoff@cityofripon.com

The City of Ripon is seeking proposals for removal, preparation, and patching of various identified sections of asphalt streets within the City of Ripon.

Sealed Proposals: Interested contractors are encouraged to deliver one proposal to the address listed below or by email to adannhoff@cityofripon.com. If emailed, please enter City of Ripon Asphalt Patching Quote in the Subject Line.

City of Ripon
Attn: Allyn Dannhoff, Director of Public Works
520 Aspen St.
Ripon WI 54971

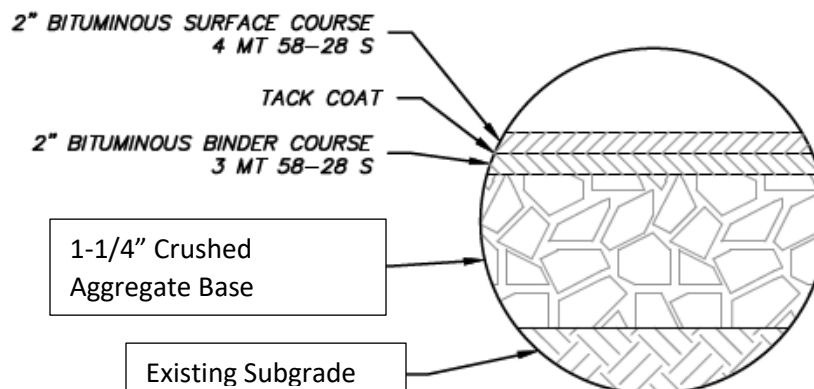

Proposal Deadline: **Wednesday, May 27th, 2026 at 1 PM.** If this is not adequate time to prepare proposals, please advise. If an alternate deadline is established, it will be communicated to all.

- Written proposals should be clearly marked City of Ripon Asphalt Street Patching Proposal.
- Emailed proposals should be sent to Allyn Dannhoff, Director of Public Works at adannhoff@cityofripon.com with a subject line stating **City of Ripon Asphalt Street Patching Proposal**.
- Please direct questions to Allyn Dannhoff, Director of Public Works, 920-896-0984 or adannhoff@cityofripon.com.

Purpose

The City is seeking quotes for removal, preparation, and patching of asphalt street sections identified on the enclosed map and **bid sheet**. The area of the requested patch has been marked in white paint at each location. If desired, contact Allyn Dannhoff, Director of Public Works, to schedule a time review the sites with your company representatives.

Placed asphalt and aggregate shall meet the specifications of the following diagram.

BITUMINOUS PAVEMENT (HEAVY DUTY)

Scope of Services

The City is seeking cost proposals for removing and replacing the identified asphalt road sections in the most cost-efficient manner possible, employing equipment and processes acceptable to the City.

Submitted proposals/quotes shall include all labor, equipment, and materials for performing this work at each site (the city reserves the right to award all or portions of the work), including, but not limited to:

1. Mobilization
2. Traffic Control
3. Erosion Control
4. Saw cutting
5. Pavement & Aggregate removal
6. Grading & Compacting existing aggregate
7. Asphaltic Binder, 2-Inch, 4MT 58-28S
8. Asphaltic Surface, 2-Inch, 4MT 58-28S
9. Tack Coat
10. Concrete Curb and Gutter where needed
11. Adjust Structures

Note: Dense Graded Base: It is intended the costs for supplying, placing, and compacting any 1 1/4-Inch, Crushed Aggregate Base will be calculated and included for final payment based on quantities added to each patching site to achieve desired grading elevation for placement of asphalt. A separate line item for proposing unit prices for this work is included on attached Quote Proposal Sheet.

Proposal Terms

1. The City of Ripon reserves the right to reject any and all proposals received as a result of this Request for Proposals. The City reserves the right to select a proposal believed to be in the best interest of the City based on quality of service, contractor qualifications and capabilities, costs to perform the work, and other factors the City may consider.
2. The City reserves the right to award all of the described work or portions of the described work.
3. Work must be completed by **October 2, 2026**, except as otherwise noted on specific patches or as proposed by the contractor and approved by the City.
4. The City reserves the right to reject any or all proposals, to waive or not to waive informalities or irregularities in proposals or proposal procedures, and to accept or further negotiate costs, terms, or conditions of any proposal determined by the City to be in the best interests of the City even though not the lowest bid.
5. It is the contractor's responsibility to inspect and measure the identified road sections prior to submitting a proposal. The City will not adjust the price after a proposal is accepted and awarded by the City Board.
6. Proposals must be submitted on company letterhead and signed by a company official authorized to bind the provider to its provisions for at least a period of 90 days. The price quotations will not be subject to any price increases during this period. Failure of the successful bidder to accept the obligation of the bid may result in the cancellation of any award.

Contractor Qualifications

1. The contractor shall have previous experience working with asphalt replacement in public areas and should be familiar with the local government environment in the State of Wisconsin.
2. The contractor must provide evidence of meeting the **enclosed City of Ripon Contractor Insurance Requirements** (minus Builders Risk Insurance.)

City Responsibilities

1. City will mark the road sections scheduled for removal and patching.

Completion

The awarded contractor must include a report of units installed with payment request as may be needed if the size of the patch is amended and if Dense Graded Base is added.

The substantial completion of the project, including final inspection will be performed prior to payment. Partial payments are subject to the review and approval of the Director of Public Works. The project must be completed by the date and timeframe included in the proposal unless an alternate date is mutually agreed between the contractor and City.

Attachments and Enclosures
