## City of Ripon Park Master Planning

31	Existing shelter house	10/27/2022 9:44 PM
32	That the natural playground is so far from the other playground. I think they should be closer together, way more convenient for parents of several children with varying ages/interests. Hard for parents to keep an eye on all children if one wants to play at the nature playground while another wants to be at the skatepark.	10/27/2022 9:38 PM

45	I don't feel there is actually enough parking. As it is when there's a baseball game, cars are all the way up the current "loop" - imagine if there was baseball and softball simultaneously. I can't tell if there is a path that connects all the way through the park from Griswold to Barlow Park elementary school, but that would be ideal for walkers, bikers, and families with strollers	10/27/2022 7:27 PM
46	Skate park	10/27/2022 7:26 PM
47	I'm not sure a skate park is the best option. I worry the city will be spending money on a service citizens will not be using.	10/27/2022 7:25 PM

## City of Ripon Park Master Planning

32	I don't like the full court basketball court in the middle of the park. Ceresco Park is small as it is, and at least based on this diagram the basketball court potentially takes up a good chunk of it. I get there being value in the court, but I doubt it would have such degree of use that a full court would be needed so frequently, that a half court wouldn't suffice. Leave more green space for kids to run around.	10/27/2022 7:25 PM

23	I'd like to see some more trees	10/27/2022 8:37 PM
24	I think it's in a questionable spot to be a nice looking park; tucked away from the main thoroughfare of the city, behind a bunch of buildings where the average person isn't going to see it look nice; and isn't necessarily going to go out of their way to find it. Least of all when, it doesn't appear to have any parking... Also, and I know it's been several years now and I understand the financial reasons, but I'm personally still unhappy with the decision not to improve the road connecting Scott Street and Jackson Street. I get that the city just doesn't have the money, but the indifference to that is dumb. There have been so many flipping times when it would have been more convenient or preferable to connect with Jackson street and couldn't; and then to hear the common council talk about it like, who cares, is annoying. The city let it get so bad that they couldn't afford to do anything about it; and then further inaction took it to the point where it wasn't even safe for pedestrian traffic. I'd prefer a road there to a water feature; which, I realize isn't remotely an even tradeoff for cost, but functionally the road would have been better.	10/27/2022 8:09 PM

31	Nothing specifically. Would be nice if the shelters in both Murray Park and Barlow park saw some renovation and improvement, in some way.	10/27/2022 8:51 PM
32	I'd like to see another play area	10/27/2022 8:38 PM
33	I would like to see major improvements to the current fields. This could be a major attraction for tournaments which the city benefits from.	10/27/2022 7:49 PM

38	Nothing. Like the idea for improvements	10/27/2022 7:37 PM
39	You haven't fixed the disc golf course	10/27/2022 7:34 PM

43	No improvement to concession stand	10/27/2022 7:04 PM
44	Not improving current shelter and sport courts.	10/27/2022 7:02 PM
45	A better baseball pavilion would be high priority	10/27/2022 6:43 PM
46	Lack of effort to fix and maintain cosession stand and bathrooms	10/27/2022 6:28 PM
47	Playground area...is important.n this is not a senior center park. It is for all	10/27/2022 6:25 PM
48	Disc golf course layout not optimized	10/27/2022 6:22 PM
49	The water feature is a distraction from the view at the trailhead and does not seem like the best location. Looks like the park is losing more green space that people enjoy while playing disc golf.	10/27/2022 6:08 PM
50	Nothing being done to improve the tennis courts that are there. They need to be resurfaced	10/27/2022 6:05 PM
51	There's nothing that I don't like.	10/27/2022 4:51 PM
52	There needs to be improvement to the main building by the baseball fields. It needs to be updated. The plumbing is constantly a problem. There also needs to be some shelter for shade and fly balls	10/27/2022 4:20 PM
53	Senior center location	10/27/2022 3:58 PM
54	Appears most green space is used for disc golf. This park has been used as a major green space for years. Hate to see that end.	10/27/2022 3:47 PM
55	NA	10/27/2022 3:44 PM
56	Nothing being done to baseball or softball diamonds. Kids deserve better.	10/27/2022 3:36 PM
57	The new playground	10/27/2022 3:35 PM
58	Fitness court	10/27/2022 3:19 PM
59	More parking needs to be added	10/27/2022 3:14 PM
60	There's nothing about upgrading the concessions/tiny restrooms by the 4 diamonds. The park doesn't need a fitness court.	10/27/2022 3:10 PM

22	It's always seemed like a shame that the Mill Pond never seemed suitable for swimming. I'm not sure if that's actually based on anything in particular, safety-wise, apart from there being no life guard there during the summer. Just never seemed like a body of water anyone wanted to swim in. Would be nice to see that aspect developed more.	10/27/2022 8:55 PM

1	Include Fitness equipment for Barlow park too	11/2/2022 7:21 PM
2	Please put bike parking and pump/repair stands in areas to encourage bicycle use. Also look at existing footpaths and don't pave unnecessary areas or paths	11/2/2022 2:30 PM
3	Thank you for your work on these parks	10/31/2022 9:40 AM
4	Soccer areas for youth. This is the only sport in Ripon that is growing but the kids do not have anywhere to play. The current field at MP is in terrible shape and someone is going to get hurt.	10/29/2022 10:54 PM
5	LOVE THIS!	10/28/2022 3:03 PM
6	I think Barlow Park is need of an equipment upgrade. Make a bigger playground that isnt made of dirt hills and rocks.	10/28/2022 12:45 PM
7	Thankyou for working on a master plan for ongoing park improvements	10/28/2022 9:50 AM
8	All these improvements must come with a budget for upkeep and maintenance. We lack the upkeep and maintenance in our existing park and recreation areas.	10/28/2022 7:58 AM
9	Bringing our community in touch with nature is important! A few of these do it well and I hope to see them go through. Adds things Ripon doesn't currently offer. Would draw in travelers	10/28/2022 3:01 AM
10	Taking a look at Upper Lake Park/Beer Garden in Port Washington would be great to incorporate something similar at Barlow, especially with the festivals and events that go on there. Also looking at the Village Green if that is a part of the city. Artificial Turf at Barlow in the half circle loop for the sporting events.	10/27/2022 10:43 PM
11	Love the multi-use paths and kayak launch.	10/27/2022 10:28 PM
12	Please don't try to fill all the beautiful open spaces that make the parks so peaceful and beautiful!	10/27/2022 10:13 PM
13	Parks are overall great for kids. Need to get rid of the wood chips and do a rubber flooring at like most up to date parks.	10/27/2022 10:06 PM
14	Need pickle ball ball court at one or more parks	10/27/2022 9:58 PM
15	As a mother of 3, I find that the only 2 parks that allow my 2.5 year old to safely play is Ceresco and lower Barlow... it would be nice if every park had a decent amount of things for littler kids to play on so that we have more options. Mine gets bored easily since we can only go to the same 2 parks...	10/27/2022 9:47 PM
16	It's good to see that these areas are going to be revitalized. I would be more likely to seek out these spaces!	10/27/2022 9:35 PM
17	Focus on Waupun and how nice all of their sport facilities are. This is the number one reason we are losing kids to playing travel ball for Waupun because their facilities are top notch and they are a destination for many tournaments which brings ALOT of money to the city. Unfortunately this was ignored for a senior center. It needs to be revisited sooner then later.	10/27/2022 9:27 PM
18	Bike paths or routes through town connecting the parks would be good.	10/27/2022 8:57 PM
19	Please update Selfridge Park as soon a possible. Needs an update!	10/27/2022 8:53 PM
20	Looking forward to seeing all of the improvements to enjoy!	10/27/2022 7:37 PM
21	I think the park upgrades will certainly raise the appearance level of the parks. I worry the changes are not going to be enough to see a significant increase in the usage. It is my hope	10/27/2022 7:33 PM

## City of Ripon Park Master Planning

the new Parks Director can work with City Council to get ordinance 8.04.150 - Prohibited areas for animals. Part B A person owning or in charge of any dog shall not permit such dog to be upon any city-operated park will be lifted. I really hate having to leave my dog home when I take my kids to the park.

22	It's really important to be simple yet creative with a space. A lot of times these company's that come in to draw this up don't live here Be careful what you decide and when you say ok we like this. Double check it, or as they say sleep on it	10/27/2022 7:00 PM
23	IF you are going to do things, keep the up. Don't let them become useless and not taken care of.	10/27/2022 6:55 PM
24	I like the updates!! They seem welcoming to a large range of ages.	10/27/2022 6:45 PM
25	It would be nice to have an area that could be rented for outdoor wedding ceremonies	10/27/2022 6:41 PM
26	I will just add that making sure the natural play areas are aimed at all ages, from the crawling babies to the older children.	10/27/2022 6:35 PM
27	Most look very good. Just keep the parks for all to use. Not just kids not just elderly.	10/27/2022 6:28 PM
28	I am so pleased that Ripon is looking to improve all parks. These are a great asset to our community.	10/27/2022 6:24 PM
29	Hoping the emphasis is on all ages and encouraging a healthy lifestyle.	10/27/2022 6:10 PM
30	There needs to be improvements of the shelters. Please check out the shelter in Marshfield at the zoo. Ripon needs something like that.	10/27/2022 4:55 PM
31	I wish Barlow Park would be considered in having a disc golf course.	10/27/2022 4:21 PM
32	Thanks for the great work!	10/27/2022 3:51 PM
33	Any of the existing buildings need upgrades or just improvements and I would maybe take a vote on somethings that people would like to see especially if you are adding something big and new	10/27/2022 3:38 PM
