9	Clean bathrooms The ball field is an embarrassment The concession stand is also embarrassing Visiting teams / parents really don't want to come to the ripon field Totally not up to par Sad statement for Ripon	6/25/2022 4:27 PM
10	Rather than adding "amenities", I think we need to take care of the current facilities. The baseball diamond is an absolute embarrassment. In the distant past (late 1990s, early 2000s), we hosted state tournaments for Legion which brings revenue to our city. In the condition that the diamond is now, we would never qualify. There are holes in the fence, the outfield fence is 5 inches higher than the surrounding dirt. Let's focus on taking care of what we have.	6/25/2022 3:41 PM
11	Handicap accessible family restrooms, shade structures or more trees, more benches	6/24/2022 10:31 PM

31	We like it all and would love to be pickle ball or badminton courts, bars to do flips and something with water would cool.	6/13/2022 4:16 PM
32	The playgrounds to have the recycled soft rubber ground instead of wood chips	6/13/2022 1:24 PM
33	The existing baseball field and related amenities (concession stand, dugouts), as well as the bathrooms could use some major renovations.	6/13/2022 1:03 PM
34	Basketball and baseball	6/13/2022 11:31 AM
35	Skating area for all the skaters rather than the sidewalks and streets	6/13/2022 11:08 AM
36	I would love to see the basketball courts restored, updates to the bathrooms and more playground equipment for all (possibly a zip line like Lakeside in FDL).	6/13/2022 9:14 AM
37	Get rid of the wood chips and fill in with recycled material. Add more swings and make them closer to the playground. Get rid of the spinning thing, and replace it with something more modern. South Park playground at Oshkosh is a good example!	6/13/2022 6:58 AM
38	The open space is wonderful but there needs to be updates to the playground equipment and basketball courts.	6/12/2022 10:11 PM

44	Baseball field, playgrounds are good.	6/11/2022 9:58 PM
45	Fix up what is there...the Basketball courts are awful, the baseball field neglected and the concession stand needs A LOT of work!! Thankful for the Ripon American Legion for donating their time to replace the steps and table in the announcers section. It shouldn't be their responsibility!!! It could be such a beautiful diamond and place to play baseball or host tournaments!!!!	6/11/2022 9:12 PM
46	Maintain what you have...It's been neglected for years!!	6/11/2022 9:10 PM
47	I would like to see the baseball diamond have a facelift. Literally a bunch of gravel around the outside of the diamond would be a huge improvement. It would cut down on the moss and the weeds growing at the fence line.	6/11/2022 7:33 PM
48	Good shade trees, keeps the fun going on hot days	6/11/2022 6:33 PM
49	Basket ball courts need updated they are run down. Lower night hoops for younger children as well as my children get very upset that all the hoops in town are to tall but at the actual Barlow school playground	6/11/2022 6:11 PM
50	I would like to see play areas/equipment for small children and bigger kids as well. Barlow seems to only have options for smaller kids.	6/11/2022 5:52 PM

61	Please allow pets	6/11/2022 7:24 AM
62	I would like to be able to bring our dog with when I bring my son to play.	6/11/2022 7:17 AM
63	Dog friendly	6/11/2022 5:21 AM
64	I have always found it strange that "domesticated animals" aren't allowed in the park. I understand the desire to keep the park clean, and I'm all for keeping dogs on leashes, but I would love to see the park pivot from not allowing domesticated animals to allowing dogs on leashes (with a few stations with bags/trash to help encourage dog walkers to keep the area clean).	6/10/2022 11:03 PM
65	I really like the basketball courts, however there needs to be more playground equipment.	6/10/2022 10:58 PM

76	Permanent stage for music	6/10/2022 7:00 PM
77	There is a super small area behind the bathrooms that I am not sure is being utilized much? As a parent, it would be nice to have all equipment in one play space for children of different ages so I am not needing to back and forth to ensure their safety.	6/10/2022 6:49 PM

87	Upgraded concession stand building. Upgraded bathrooms in both shelters.	6/10/2022 12:07 PM

The playground needs significant improvement and is undersized. Inclusive play / ADA playground. Age specific areas within playground and park. I like the park loop, which could add trails to open space.

11	Like it all, maybe parallel bars	6/13/2022 4:17 PM
12	Simply needs an upgrade. Currently outdated and poorly cared for.	6/13/2022 1:25 PM
13	The rock climbing tower is great, but in need of some TLC, also hornets nest in it every summer which makes it impossible for the kids to play on. Would love to see the one basketball court restored. Playground equipment is very dated.	6/13/2022 9:17 AM
14	This is my kids' favorite park in Ripon	6/13/2022 8:24 AM
15	Add picnic tables closer to the playground area and more benches. This is a popular playground and parents want to have picnics with kids but the pavilion is too far from the playground area so it's not safe to let little kids at the playground and trying to have picnic for them as well. More benches needed and update the wood chips to recycled material.	6/13/2022 7:07 AM
16	I like that it's a smaller park for younger kids	6/12/2022 9:43 PM
17	Play ground equipment getting worn and old, needs updating.	6/12/2022 2:43 PM

20	Designate this Park to be open until 10pm year round and install some lights. All the parks are, I believe, closed at sunset, which can be 5pm depending on the time of year. We are starting to have 70 degree days in December and other weather extremes, so it would nice to legally be in a park until 10am with lights so my kids can play, especially since they are often more cooped up in the months with shorter daylight	6/12/2022 5:59 AM

26	Fix the concrete by the shelter house... tripping hazard	6/11/2022 1:36 PM
27	Repair old equipment or replace with newer equipment.	6/11/2022 1:18 PM

33	Tether ball would be cool and a working vending machine.	6/10/2022 11:03 PM
34	Kids love the tower. Adding higher benches would be nice for disabled parents and grandparents.	6/10/2022 10:55 PM
35	More sitting benches by the play equipment	6/10/2022 7:58 PM
36	The playground equipment at this park is in need of repair.	6/10/2022 7:02 PM
37	I really enjoy that there is playground equipment for different ages and stages all in one spot! I would love to see a zip line here for my kids. Also, it would be amazing to get rid of the mulch and replace with recycled rubber or softer material.	6/10/2022 6:52 PM
38	Updated playground equipment	6/10/2022 6:36 PM
39	Updated equipment see Barlow park statement	6/10/2022 5:21 PM

34	Definitely needs a launch area for boats, canoes, etc. It seems to be that people just go in wherever they can right now.	6/11/2022 4:47 PM
35	Would like to see something else (dog run, pickle ball court) where the skate park is.	6/11/2022 4:32 PM
36	Skatepark needs improvement	6/11/2022 4:21 PM
37	No one swims in there. It would be wonderful to allow dogs to swim in the Mill Pond from Selfridge Park. The equipment needs serious attention too. This is the most beautiful park we have and it's underutilized- except by people doing illegal stuff. Put up some (more) cameras and watch so our kids are safe!	6/11/2022 1:19 PM
38	My kids went here when younger but only with supervision. At that time, it did not feel like a clean, safe place. There were often people smoking, swearing, throwing rocks, etc, the shelter/equipment felt dated, water was dirty, and the skatepark was limited. Perhaps there have been improvements in recent years.	6/11/2022 12:12 PM
39	The skate park needs better upkeep. My son severely hurt himself due to disrepair and debris	6/11/2022 9:18 AM
40	Please allow pets	6/11/2022 7:29 AM
41	The skatepark area needs a serious upgrade.	6/11/2022 7:02 AM
42	Dog friendly	6/11/2022 5:25 AM
43	Bring back the pier to fish further out from.	6/10/2022 9:31 PM
44	Maybe use blended rubber instead of wood chips so it doesn't degrade as fast and cause muddy areas.	6/10/2022 9:27 PM
45	The parking lot should be paved because people are always doing donuts in the gravel with their trucks. This park is a magnet for drug deals. The skate park is not well maintained. There should be cameras and better lighting.	6/10/2022 7:41 PM
46	Improved fishing area	6/10/2022 7:29 PM
47	Love the idea of trails or dog park IN town. When we lived on Scott Street we visited this park a TON and my kids really enjoyed it, but could definitely do more to make this a multi-purpose/multi-functional space.	6/10/2022 6:56 PM
48	Allowing leashed dogs	6/10/2022 6:24 PM
49	Please clean up the shoreline start by cutting the weeds around the park area this has been lacking for several years	6/10/2022 6:22 PM

51	Is there a place to swim?	6/10/2022 5:57 PM

52	I have seen alot of litter here needles etc. Someone needs to monitor this park to make it safe for our kids again. Better lit police surveillance cameras etc	6/10/2022 5:23 PM
53	Allow dogs	6/10/2022 4:35 PM
54	Update the skatepark	6/10/2022 4:11 PM
55	Selfridge doesn't feel "safe" so we don't go often. Too many "strange" people doing "strange" things, so we don't like bringing our children there. It's a shame to have such a beautiful spot have such a poor reputation as being an unmonitored park.	6/10/2022 1:25 PM
56	Site needs to be monitored better for "illicit activity."	6/10/2022 11:52 AM
57	The skate park does not fit in this park. It is an absolute afterthought and does not fit the site. Add waterfront path and piers. Kayak launch!	6/10/2022 6:46 AM

3	Clean bathrooms Amazing how bad they are. We attend a lot of ball games in many cities and Ripon is about the worse	6/25/2022 4:36 PM
4	Again, another baseball park that has been neglected for so many years. We hosted multiple tournaments a year here in the past. Now you have destroyed most of the parking with a walking trail that very few people will utilize. The city should look at acquiring land on the south side of the diamonds in order to put in a parking lot for families that come to our park.	6/25/2022 3:48 PM
5	Handicap accessible family restrooms, shade structures or more trees, more benches	6/24/2022 10:56 PM

25	Yes summers a short in WI however the baseball diamonds get used daily. It would be nice if fans could have shade while watching games and the bathrooms could be taken care of better. I've been there a couple times when the toilets have been out of service. Pretty embarrassing when the town is hosting a baseball tournament!	6/12/2022 9:53 PM
26	Why is there nothing about baseball in the list and why on earth is this park not included in master plan. The athletic facilities SEVERELY lag behind other communities, there are significant parking and accessibility issues and the city's indifference is often laughable.	6/12/2022 6:21 PM
27	Play ground equipment getting worn and old, needs updating.	6/12/2022 2:47 PM
28	Parent/child swing and toddler play area separate from big playground. Soft surface.	6/12/2022 2:12 PM
29	Swimming pool	6/12/2022 1:42 PM
30	City pool. Dog park. Community Garden. Groomed cross country ski trail. Please add groomed cross country ski trail to Barlow Park.	6/12/2022 6:10 AM
31	There is definitely a need for improvements to the softball and baseball diamonds and concession stands. Being able to have the facilities to host tournaments would bring in a great deal of money to the community. With the current conditions of the facilities it makes it very difficult.	6/11/2022 11:13 PM
32	Baseball fields need to be taken care of. The gopher holes are going to hurt an athlete. The infields are overgrown. Also, the parking here is not sufficient.	6/11/2022 10:12 PM
33	Parking	6/11/2022 9:20 PM
34	Please do something about the ball diamonds. Even something to cover the bleachers like they have over the dig outs, the orange mesh. This would provide some sort of shade over the people watching games. Would also be nice to see a change to the infield dirt/gravel. I don't believe it's properly graded? Uneven and needs to be patched. Also needs better manicuring. The only toilet at the baseball field had problems last year for the men I believe. It would be nice if the plumbing was looked at so this year we don't have a problem when tournaments are going on. It would be embarrassing to have an out of order sign at the only bathroom.	6/11/2022 7:40 PM
35	New playground equipment and biking walking trails around/through the whole park- connecting the baseball to the park equipment more easily . The playground equipment is dismal	6/11/2022 6:38 PM

40	It would be nice if there were a few picnic benches spread out around the park to picnic at	6/11/2022 2:29 PM
41	The baseball diamonds need serious help. And parking. The beloved disc golf will likely need help after the current construction. And the pavilion is sad.	6/11/2022 2:03 PM
42	Disc golf around the senior center	6/11/2022 9:28 AM
43	The disc golf course needs to be revitalized since the start of construction there.	6/11/2022 9:26 AM
44	We visit Murray frequently for baseball- there are always smaller kids there for their older siblings. It would be great if there was a natural playground near the baseball fields for those kiddos!	6/11/2022 9:06 AM
45	Swimming pool	6/11/2022 8:29 AM
46	The walking trail maintained.	6/11/2022 8:16 AM

50	We would love to see improvements to the current softball and baseball facilities (bathrooms, concessions, pavilion roof)	6/10/2022 10:56 PM
51	Playground equipment is decent. It would be cool to have equipment for toddler (younger than preschool) aged kids too.	6/10/2022 10:56 PM
52	New basketball hoops ones that aren't old, rusty and attract bees to build a nest behind the backboard every year.	6/10/2022 9:32 PM
53	Something for the kids/adults with Special Needs is needed in our city!! Thanks.	6/10/2022 8:02 PM
54	Update restrooms and softball diamonds	6/10/2022 7:31 PM
55	The ball diamonds and concession stand are in severe need of updating and repair. This should be a priority over updating other parks given the amount of people that use it in the summer. Parking is a huge issue especially now. I can't believe this park is not on the planning list!	6/10/2022 7:20 PM
56	Complete restoration of the baseball fields	6/10/2022 7:04 PM
57	We use the baseball diamond multiple times a week. They are lacking maintenance in comparison to other cities diamonds.	6/10/2022 6:51 PM
58	Please fix up the concession stands at the baseball/softball fields! They are in horrible shape and the bathrooms are gross. If they were nicer we could have better tournaments in Ripon and bring in more revenue. Going to other communities and seeing what they have for their children makes Ripon look like a sad town that has given up. Please fix them!!	6/10/2022 6:42 PM
59	Please allow leashed dogs	6/10/2022 6:24 PM
60	Too much baseball. Get rid of it.	6/10/2022 6:16 PM
61	Update equipment so old	6/10/2022 5:24 PM
62	Allow dogs	6/10/2022 4:36 PM
63	The diamonds are disgraceful, not upkept well at all. The pavilion up by the quads is a joke and needs updating. The ground is uneven and unsafe. The "new addition" of the trail is an unwanted eye sore. Put money towards the diamonds FOR THE KIDS.	6/10/2022 4:14 PM
64	Better concession stands/bath. Bleachers/dugout improvements.	6/10/2022 4:14 PM
65	Fields are in horrible shape and need to be redone. We need to get rid of grass infield, redo concession stand, make it ADA accessible	6/10/2022 4:13 PM
66	Better maintenance on the baseball fields	6/10/2022 3:42 PM
67	More shaded areas (trees or covered bleachers) near baseball/softball fields for spectators.	6/10/2022 12:18 PM
68	Put some effort into maintaining the diamonds. They are in terrible shape, our kids deserve better!	6/10/2022 11:45 AM
69	All fields need improvement.	6/10/2022 6:51 AM

1	Maybe start with one of them and see how that goes.	6/29/2022 9:06 PM
2	Would be unfortunately abused by some who do not pick up after pets	6/28/2022 2:07 AM
3	I don't like stepping in dog shit. Not all dog owners clean up after their dogs.	6/27/2022 6:42 PM
4	It may be nice to have something that would allow for easy poop pick up and disposal should that occur at the park.	6/27/2022 3:07 PM
5	But kept to certain area's only and if maintained	6/15/2022 9:16 PM
6	As long as they remain leashed and there are "potty stations" with extra bags for cleanup. Some kids have a fear of dogs and should still be able to feel safe while they play. Owners who want to unleash can take dogs to the dog park.	6/15/2022 8:05 PM
7	Yes in the general park itself. Maybe not in playground area because pet owners leaving dog waste is inevitable. Waste stations will help somewhat.	6/14/2022 1:04 PM
8	Possibly one of the smaller parks would be okay. I would love more non-dog park options for smaller children.	6/13/2022 11:45 PM
9	Does dog friendly mean they would still be on a leash? I'm not sure how comfortable I would feel with my little kids on a playground with random dogs running around unleashed. I would feel comfortable if they were leashed.	6/13/2022 11:19 PM
10	Yes but mixed feelings .. some are not responsible pet owners	6/13/2022 11:13 PM
11	I think it would be nice if some parks were dog friendly. Not everyone is courteous of their dogs poop, and I personally don't mind dogs but it would be nice to have options of going to a park and not having to worry about dog poo. My babies pick up everything and put it in their mouth. Sometimes I catch it right away and sometimes their knuckles deep trying to eat leaves before I can catch it.	6/13/2022 9:57 PM
12	I would be willing to see this if a specific area of the parks was designated for dogs.	6/13/2022 8:28 PM

City of Ripon - Park Master Planning

13	Isn't safe for kids in the first place. If something were to happen to my child it SHOULD be the city's fault. Dogs just shouldn't be there. Plus people don't know how to pick up their poop.	6/13/2022 4:37 PM
14	As long as people pick up their dogs poop	6/13/2022 4:23 PM
15	Some people don't clean up after their pets and unfortunately run it for everyone. I don't think it would be smart to mix family playgrounds, picnicking and pets. Few pet owners ruin it for the rest.	6/13/2022 11:34 AM
16	We have a dog park. Even there people don't always pick up after a dog. I can see offering dog friendly day or hours for selfridge for swimming. Other than that, no, we have a dog park.	6/13/2022 11:19 AM
17	Not all of them, but maybe one of them. And have it fenced in and signage everywhere. People are not always truthful if dogs are up to date on shots or kid friendly. I hate when people bring dogs to ceresco park and they walk up to little kids asking if they want to pet the dog, the dog can be aggressive and the owner may have nice intentions but is not aware of all the issues that could happen with a dog and little kids if they don't have kids themselves	6/13/2022 7:16 AM
18	Dog friendly = dog poop. Must owners are good about cleaning up, but it only takes a few bad apples to ruin it.	6/12/2022 11:13 PM
19	Definitely no. One of my children is afraid of dogs, especially when they are off-leash and they greet or jump on him knocking him over (poor balance and motor coordination because of his disability). Almost every dog owner thinks their dog wouldn't hurt a fly and (often) therefore doesn't need to be on a leash at a park, but that doesn't mean that the other park visitors wish to be greeted or feel comfortable with a strange dog. Even at parks with "no domestic animals" signs, we've ended up needing to leave because someone brings their dog and won't keep them on a leash. Also, poop, which we frequently witness NOT being responsibly picked up.	6/12/2022 10:35 PM
20	If dogs are on leashes or there is a fenced area for them to be unleashed.	6/12/2022 10:12 PM
21	Dogs should be on leashes at all times and the city should provide poop bags and garbages.	6/12/2022 9:54 PM
22	Not everyone will pick up after their pets; neither will they all keep control of them.	6/12/2022 8:32 PM
23	As long as they aren't aggressive dogs and owners are responsible.	6/12/2022 2:15 PM
24	My true answer is depends. If leashed and users are responsible and respectful.	6/12/2022 7:32 AM
25	Too many irresponsible dog owners who won't watch their dogs in too big of area.	6/12/2022 4:04 AM
26	Only if people can clean up after their dogs.	6/11/2022 10:12 PM
27	Pet friendly	6/11/2022 9:31 PM
28	People bring them despite the signs, just make them dog friendly! Have pet stations	6/11/2022 9:17 PM
29	I am a dog owner and I still say no. As much as I would love to be able to bring my dog into the park when my kids are playing I stay with her on the sidewalk. People will not pick up after pets. You also can't ensure a dog is safe around children. My kids will run up to dogs and even if an owner says it's ok what happens when one bites a child.	6/11/2022 7:42 PM
30	Dogs must be "kid-friendly"	6/11/2022 6:42 PM
31	In a designated area so kids aren't scared or playing in fecal matter on the playground.	6/11/2022 6:19 PM
32	However in that setting dogs must be leashed and poop must be picked up.	6/11/2022 6:14 PM
33	Dog friendly parks is a wonderful idea as long as there is a designated area for small and large dogs (separately). And the dog area is an appropriate distance from the parks themselves for safety of children and dogs themselves.	6/11/2022 6:00 PM
34	People do not pick up the poop after their dogs!	6/11/2022 1:39 PM
35	Yes! Let the dogs swim in the Mill Pond!	6/11/2022 1:22 PM
36	Only if people can follows signs and rules about picking up after their animals.	6/11/2022 12:20 PM
37	Definitely yes but with enforced caveats (leashed and owners must pick up waste).	6/11/2022 12:15 PM
38	In a perfect world where all dog owners picked up after their dogs it would be great, but I would prefer to not have to worry about my kids playing in an area where they could possibly step or	6/11/2022 9:59 AM

	fall into dog poop.	
39	Not all but a couple	6/11/2022 9:26 AM
40	I love to walk my kids to the park- we prefer to also walk the dog, but always get scolded. Even if I'm just standing off to the side with my dog on leash, that has not been acceptable to Ripon PD. Almost everyone I know in Ripon has a dog! It would make sense for the city to be more dog-friendly.	6/11/2022 9:09 AM
41	People don't clean up after dogs would become an issue. Allergies, it's nice to not be bugged by other people's dogs.	6/11/2022 9:07 AM
42	I don't want dogs in there with many kids. Some kids are scared of dogs. Some kids have allergies to pets. Not all dogs are friendly and not all owners are responsible.	6/11/2022 8:19 AM
43	People do not clean up after pets. Too many aggressive dogs or dogs that are not good around people.	6/11/2022 8:14 AM
44	Too many people not picking up poop. I do not want to have to worry about .y kids running in the grass and stepping in dog poop.	6/11/2022 7:52 AM
45	We go for walks often with our dog and son. When we walk by them our son always wants to stop to play at the parks/on the play equipment, but we never can because we have our dog with us. It would be nice to be able to enjoy the fresh air and amenities all together. Also, having a dog park/place for our dog to play at the parks would be awesome!	6/11/2022 7:38 AM
46	As long as people are cleaning up after them I would have no problem with that.	6/11/2022 7:04 AM
47	It is frustrating having to choose between taking my dog for a walk or my kids to the park. Dog friendly parks would allow me to take my kids to the park and exercise my dog at the same time.	6/11/2022 5:15 AM
48	People are pigs and will not pick up after their dogs. Flat no.	6/11/2022 12:44 AM
49	Strictly on-leash, not on play equipment, and add waste removal stations	6/10/2022 11:14 PM
50	I made comments about this earlier, but at a minimum I think all parks should allow dogs on leashes, preferably with trash stations with bags.	6/10/2022 11:08 PM
51	I'd like to at least see it given a shot.	6/10/2022 11:03 PM
52	Maybe have designated areas where dogs are allowed and special dog waste bins	6/10/2022 11:00 PM
53	But owners MUST clean up after them	6/10/2022 9:38 PM
54	I feel like people wouldn't pick up their dog poop.	6/10/2022 9:33 PM
55	I'd like them to be dog friendly, obviously there'd have to be restrictions however beaver dam made all their parks dog friendly last year and haven't had any issues. If a dog listens then it should be fine just like everywhere else	6/10/2022 9:32 PM
56	Maybe-only if the dog owners are responsible and do not allow their dogs off their leash and bother or scare the kids. (I have seen that too many times and have stopped visiting at times because of this issue). We already have a dog park for them to utilize-that is where they should go if they are looking for a place for their dogs...in my opinion.	6/10/2022 8:07 PM
57	As much as I love pets. You can not trust other peoples children running around with other peoples dogs. Pet owners or parents don't watch their kids close enough someone will get bit or a dog will get hurt.	6/10/2022 8:04 PM
58	It would be nice, but many people won't clean up after their dogs.	6/10/2022 7:43 PM
59	In designated areas.	6/10/2022 7:21 PM
60	With signage that dog must be leashed.	6/10/2022 7:01 PM
61	It would be nice but too many people would ruin it for others and not pick up after their dogs and not take proper care of the dogs	6/10/2022 6:49 PM
62	Possibly, with restrictions	6/10/2022 6:41 PM
63	Please please please allow leashed dogs in our parks!! We would use the parks substantially	6/10/2022 6:27 PM

City of Ripon - Park Master Planning

	more often if leashed dogs were allowed.	
64	Dogs should be allowed on leash in all parks with adult supervision	6/10/2022 6:17 PM
65	I think there are some severe liability issues. Kids love dogs but all it takes is the wrong approach	6/10/2022 5:58 PM
66	Doesn't matter as long dogs are behaving	6/10/2022 4:57 PM
67	As long as those using the parks with dogs clean up after their puppies, I'd like to see the parks be dog friendly.	6/10/2022 4:49 PM
68	You should have dog parks that are separate	6/10/2022 4:19 PM
69	I want to say yes, but I fear it could cause concern with kids that are fearful of unknown dogs and well as could be overwhelming for under socialized and nervous dogs. If responsible dog owners were bringing their dog, Yes.	6/10/2022 4:16 PM
70	I would love to see there be some place that was dog friendly, but No I don't think they all need to be.	6/10/2022 3:04 PM
71	Don't want to see the parks be dog-friendly because of concerns with dog waste being left in areas where people walk, play, sit, etc. Also, not interested in seeing dogs in areas where kids play.	6/10/2022 1:31 PM

1	My niece and mother are handicapped and I don't think they are accessible to them.	6/29/2022 9:06 PM
2	It is very dark at night. A little lighting at the paved paths would help.	6/27/2022 6:42 PM
3	Ceresco - Union Street traffic Selfridge and Horner - open water	6/27/2022 3:07 PM
4	Because of the new "walking paths", decent parking for grandparents has been eliminated at Murray Park.	6/25/2022 3:49 PM
5	Selfridge park is a safety concern.	6/22/2022 4:38 PM
6	The shelters at Barlow and Murray are worn out and should be replaced (especially for restrooms) and increased in size (make it so sheltered can be partitioned off so you can rent it out to two or three different groups). Also, increase the parking right next to the shelters. Have a second shelter at Barlow park right close to the street in the first green area as you come in.	6/22/2022 12:47 PM
7	Only at selfridge, it is known in the city to be a drug area	6/14/2022 5:57 AM
8	There are no parks with safety fencing surrounding the equipment. My autistic child loves to play, but is also an elopement risk.	6/13/2022 10:22 PM
9	Because this town does not have great resources for middle/ high schoolers they tend to be rough housing on playgrounds at times. As much as I want to see better updated amenities for younger kids, I'd love to see resources to keep old middle/ high school students engaged outdoors	6/13/2022 9:01 PM
10	It is important to include some inclusive playground equipment in at least one city park.	6/13/2022 8:30 PM
11	I have commented on the state of Selfridge park's cleanliness. We frequent all the parks. This is he only park that has visitors not there to enjoy the fishing, equipment , or beauty of the park. I have at times cut the time short with my grandson at this park because of this.	6/13/2022 8:28 PM

12	All. Lack of accessible playground equipment for children with disabilities.	6/13/2022 3:03 PM
13	Murray Park Lack of parking for tournament and Rex play	6/13/2022 11:49 AM
14	We'd love to see a few playground features that are accessible for those with disabilities.	6/12/2022 10:35 PM
15	Selfridge Park (mill pond) as I noted earlier.	6/12/2022 10:18 PM
16	Mill pond is horrible.	6/12/2022 6:22 PM
17	Selfridge park is tucked back and for that reason not patrolled well. We have had safety concerns while there and do not visit anymore.	6/12/2022 2:15 PM
18	The parks are not accessible after sunset, which comes early half the year. Add some lights and change the ordinance to allow use until 10pm. Especially lights near ball courts	6/12/2022 6:14 AM
19	Selfridge with poor water levels. Not good to eat fish or swim in that. Last I knew levels of water wasn't good enough yet.	6/12/2022 4:04 AM
20	Tyget St Bridge unsafe. Would like to see a new bike/pedestrian bridge	6/12/2022 12:56 AM
21	Found sharp garbage by mill pond. The fields at Murray park need a lot of attention for the safety of the kids.	6/11/2022 10:12 PM
22	Health hazards at Barlow concessions. No open restrooms during spring events, add heaters if needed to prevent freezing pipes. Back stop on ball field has cracked pipe with wasp nest in it. Field hasn't been rolled in years and could cause sports injuries. Plywood in announcing booth is rotting. No pride from the city!!	6/11/2022 9:31 PM
23	Before spending money to add things to the parks, specifically Barlow, why don't you fix up/take care of what's there?!	6/11/2022 9:17 PM
24	Barlow...material used under playground equipment. Should be a soft rubber material.	6/11/2022 7:15 PM
25	I noted the unsafe bench swing at Ceresco. That would be a must fix. Other stuff is more opinion based	6/11/2022 6:42 PM
26	Not handicap friendly	6/11/2022 6:19 PM
27	All of the parks need to be more ADA friendly with some play equipment that can friends in wheel chairs can enjoy as well. Safer feeling shelters. Police drive by the mill pond but most of the times the kids/adults doing wrong are hiding in the shelter	6/11/2022 3:05 PM
28	A handicap accessible park would be great! Selfridge park is a major concern for me in regards to illegal activities.	6/11/2022 1:22 PM
29	Already mentioned.	6/11/2022 12:15 PM
30	More hours. Winter hours	6/11/2022 11:59 AM
31	People don't obey speed limits nor watch for kids. The city doesn't seem to care about the kids because most parks need serious upkeep and weekly maintenance that is not done.	6/11/2022 9:21 AM
32	Selfridge park often has older youth hanging around , often acting destructive.	6/11/2022 8:14 AM
33	Selfridge we do not go to, always dirty and broken glass. I wish Barlow park was more all age accessible.	6/11/2022 7:52 AM
34	The basketball and tennis courts could be resurfaced at Murray.	6/10/2022 11:00 PM
35	Selfridge - lots of drug paraphernalia has been found in there lately	6/10/2022 9:38 PM
36	Ceresco park has some bolts that are coming out of the equipment and foam and paint chips everywhere, the big equipment is what my daughter uses the most for the bridge and slides but sometimes I feel the bolts could pop right out.	6/10/2022 9:32 PM
37	Maybe a sidewalk to a swing kids/adults in a wheelchair can utilize would be nice.	6/10/2022 8:07 PM
38	Selfridge Park has a lot of creepy people hanging out there and people doing donuts in the parking lot.	6/10/2022 7:43 PM
39	None of the parks have equipment for Special Needs Adults.	6/10/2022 7:36 PM

City of Ripon - Park Master Planning

40	The play equipment at Ceresco park is in need of repairs, especially the climbing wall on the small play set.	6/10/2022 7:05 PM
41	Better sidewalk accessibility to all parks for handicap accessibility as well as more options for handicap playground equipment	6/10/2022 7:03 PM
42	Selfridge park was a place we felt we really needed to keep an eye on regarding teens/young adults who sometimes made our family/children feel uncomfortable. N It wasn't anything that required notification or city assistance, but we need these areas to stay safe for our children in general.	6/10/2022 7:01 PM
43	Could be more wheelchair accessible.	6/10/2022 7:00 PM
44	All of the parks need new equipment. Murray Park needs to have more parking and better maintenance for its baseball diamonds.	6/10/2022 6:53 PM
45	Idea of ADA accessible outdoor Rec spaces sounds awesome	6/10/2022 6:27 PM
46	The kids litter and fight in the parks	6/10/2022 6:17 PM
47	See Selfridge notes	6/10/2022 5:25 PM
48	Ceresco Park and Selfridge Park sometimes make me uncomfortable walking through. More police presence and/or surveillance equipment might make things feel more safe to be there by oneself.	6/10/2022 4:49 PM
49	Parking	6/10/2022 4:36 PM
50	Barlow. Due to lack of use a rougher crowd of kids hang there	6/10/2022 4:19 PM
51	The diamonds at Murray park have uneven grounds by the pavilion, unsafe for all. Shade canopies need to be added for spectators and players during the hot summer months.	6/10/2022 4:15 PM
52	Barlow and Murray are not ADA accessible	6/10/2022 4:14 PM
53	The playground equipment is often run down and worn out. There is trash around, the woodchips are weathered and dirty.	6/10/2022 3:04 PM
54	As mentioned before- Selfridge feels unsafe and has a reputation for being a place where "sketchy" people hang out. Don't like bringing our kids there, even though it's such a scenic spot.	6/10/2022 1:31 PM
55	Murray Park no parking and not very accessible for elderly people watching games.	6/10/2022 11:46 AM
56	ADA accessibility has not been a priority. Selfridge has a history of vandalism.	6/10/2022 6:51 AM

1	I really like the idea of organizations adopting a park and I would love to help organize a community volunteer at the parks day.	6/29/2022 9:06 PM
2	Wish we would partner with Ripon College or Boys and Girls Club to have structured play activities in our parks with sport equipment. I believe Green Bay has a summer program like this.	6/28/2022 2:08 AM

16	Summer parks and rec programs utilizing these spaces!	6/13/2022 11:20 PM
17	Keep working with the different clubs to offer opportunities to our youth to get a chance to try and learn a sport. Maybe help those groups offer programs or help them coordinate them and promote them .. a partnership, Same thing for adults.. maybe someone would like to learn how to play tennis .. or play in summer outdoor basketball league or pick up games.. or maybe a Sunday family softball game in the park.	6/13/2022 11:19 PM
18	Our parks and rec in MN suburb was amazing! We had weekly visits from mobile puppet shows, art and crafting, skate rink and heated warming shelter, general youth activities like old fashioned games, hokey pokey, and organized sports.	6/13/2022 11:13 PM
19	Dream Catchers would be amazing, but any adaptive sports or activities would be appreciated.	6/13/2022 10:23 PM

23	I have lived in Ripon all my life. I loved the Playground activities that were offered in the summer. It was a chance for kids to be active and try new sports and activities they may not have the chance to play.I would love to see that return.	6/13/2022 8:29 PM
24	I don't know	6/13/2022 4:24 PM
25	I would recommend updating the existing facilities as needed before adding additional facilities.	6/13/2022 1:16 PM

City of Ripon - Park Master Planning

It would seem that there are not enough resources in time and money to adequately manage what exists. That issue must be solved before additional facilities are added.

27	Bike safety Baseball/ softball skills clinics Mill pond water/ nature classes	6/13/2022 11:36 AM

29	Access to drinking water and more nature trails!	6/13/2022 8:29 AM
30	South Park in oshkosh has events like food truck wednesdays and other events. The village green could use a playground so it could be more family friendly. They just tore down that house and instead of downtown members yelling at kids climbing on the stage area then provide them with a mini playground.	6/13/2022 7:18 AM
31	As mentioned previously elementary and middle school age kids don't have much to do in Ripon. They are too old for the splash pad.	6/12/2022 10:19 PM
32	For the city to have rec soccer and tennis league.	6/12/2022 9:55 PM
33	Mini zoo	6/12/2022 9:27 PM
34	Better youth sports and baseball facilities	6/12/2022 6:22 PM
35	A park and rec program where kids can go and do crafts and stuff. Waupun has a great program like this.	6/12/2022 1:43 PM
36	Weekly craft projects in the shelters. Pickleball league. Basketball league. Volleyball league. Oh, please add some sand or other volleyball courts to the City parks. A foot golf course in the larger parks would be a draw, too.	6/12/2022 6:18 AM

48	Disc golf	6/11/2022 9:29 AM
49	An outdoor swimming pool would be great. Maybe alongside the splash pad at Riggs?	6/11/2022 9:27 AM
50	the more activities for the youth the better...skateboard park, opportunities for camping and being out in nature....kids spend way to much time inside on electronics....places and activities for families to bond and make memories. Activites for middle age....adult swim/water aerobics..not everyone likes to be cooped up indoors to swim...especially on a hot day.... "Activity walls" for toddlers....water and/or sand opportunities for them to develop large and small motor skills. Sensory areas for those on the spectrum...spread things out a bit as crowds can be overwhelming to them. Natural areas to explore them outdoors "like the country kids do". A natural area to encourage butterflies and fireflies....think back to your childhood	6/11/2022 8:37 AM

54	A summer park activity program	6/10/2022 11:16 PM
55	I'm not opposed to it, but it'd have to be the right kind of program. I don't think it'd need to be forced, but I think it'd be great if the city was amenable to allowing programs in the parks.	6/10/2022 11:10 PM
56	It would be great to see programming at the parks but I would assume that hiring some sort of activities director would be tricky. But having someone for fishing classes, nature hikes, star programs, crafts, games, snow shoeing would be amazing.	6/10/2022 11:10 PM
57	We would love for the city to host baseball and softball tournaments at Murray	6/10/2022 11:02 PM

1	Hoping to see some playground equipment or swing sets go up in the new area adjacent to the town square. ;)	7/4/2022 6:57 PM
2	Thanks SO much for all you do!	6/29/2022 9:06 PM
3	Ripon currently offers several beautiful parks with recreational opportunities. Subtle enhancements and upgrades as suggested in this survey would place Ripon as a leader in park and recreational offerings for it's residents.	6/27/2022 5:00 PM
4	I would encourage your committee to visit other parks near by Clean restrooms are a must Almost all city parks in GL were fully open in April, not sure why Ripon can't handle the task Should be corrected	6/25/2022 4:46 PM
5	I have discussed this survey with many local people that have lived here for an extended period of time and I believe we all have the same opinion.....we just need to maintain what we have rather than keep adding to more things the city will neglect. Our parks have always been something to proud of and I think they still can be with some TLC. Please fix the current issues before you add "new" items.	6/25/2022 3:52 PM
6	We need to take better care of what we have, and maybe look into updating what we have. I feel this needs to be done before we look at adding more things that we are not able to take care of. Our baseball diamond is embarrassing compared to so many of the other surrounding areas.	6/22/2022 4:41 PM
7	Pedrick Park is passed by people who enter or depart Ripon from the west. It is on a VERY high traffic corner. The flower beds should be kept up. The Welcome sign should be lit. Drinking water should be available. Not sure if there is a trash can, but there should be. The picnic table is nice and used often. These suggestions are low cost and would greatly enhance our city image.	6/17/2022 11:11 AM
8	I would like the city to consider including the school playgrounds to this project. Barlow Park already has the beginning of a nature playground and it is widely used by the community and families. Removing the fence and building off of the existing program would be a beautiful project.	6/17/2022 8:10 AM
9	Better up keeping on the grounds mow the grass (weeds) at the end of the week so it looks nice for the weekend when most people use them	6/15/2022 8:12 PM
10	Splash pad is in poor condition considering it's age. Would like to see it get some attention or it won't last long. Would be a shame. Riggs park could use another activity other than splash pad.	6/14/2022 1:07 PM
11	Ripon needs some kind of water center! An aquatic pool like Berlin/omro or a pond like Winneconnie. The splash pad (a county park) is very cold for young kids. Ripon always says things are for the kids but what we have is boring and out dated! You can't swim in the millpond like when I was a kid! Come on Ripon, do something with substance for the kids in the summer!	6/14/2022 6:20 AM
12	At a minimum, replace wood mulch and oil and maintain playground equipment annually. The baby swings at Selfridge didn't swing smoothly. In general, keep planting trees! Maintain some natural areas for observing pollinators/ beauty. Increase winter activities whenever possible. Improve the skate park. Ask skaters what they want to see there.	6/13/2022 11:13 PM
13	The parks that have equipment that is supposed to spin, (barlow park, the park by the mill pond) spin so stiff, they look like fun but my kids can't spin them. I get exhausted trying to get it to spin.	6/13/2022 10:01 PM

City of Ripon - Park Master Planning

14	I was hoping Riggs park would be on here, would love if they had a water friendly outdoor playground by the splash pad. There's one in Oshkosh and my kids love it.	6/13/2022 4:24 PM
15	I would love to see some playground equipment added next to the splash pad.	6/13/2022 11:36 AM
16	I'd love to see Ripon embrace the idea of nature playgrounds. My oldest kid goes to school at Barlow Park and he adores the nature playground there.	6/13/2022 8:29 AM
17	Sad to see these parks getting so worn. I was excited to see the rock climber at ceresco be taken down in hopes of it getting something newer and interesting but it was just repaired and sent back where it's again not looking well, disappointed to say the least.	6/12/2022 2:49 PM
18	Thank you thank you thank you for putting together this survey and looking to improve our parks	6/12/2022 6:18 AM
19	I hope you don't over look the baseball field comments at Murray park. We need to provide nice amenities for the youth of our community because they are the future.	6/11/2022 10:14 PM
20	Neglect has driven people away from our parks. Negativity from Ripon City instead of proactive stances has caused people to stop pushing for results almost forcing us to accept this as a norm. People hate the roads and parks... Self assess!! We build new thing but neglect what we already have...why???	6/11/2022 9:40 PM
21	Again, consider taking care and fixing up what is there before spending money on new things...take a tour of the Barlow Park Stand . It's an embarrassment, thankful to the Legion who took the time to clean it up, even though it's not their job. They can't do it all...where has the city been to help?	6/11/2022 9:20 PM
22	A lot of the bathrooms and shelters are very run down and need updates to be used more. More interconnected biking and running trails would be great. General park equipment is quite outdated as well	6/11/2022 5:48 PM
23	Ripon would benefit from an aquatic center. We have the space and the people, just need to put it in the ground. The splash pad cannot accommodate many.	6/11/2022 4:50 PM
24	Before making improvements, it would be really nice to start by cleaning up the parks we have, repave the parking area near the softball diamonds at Murray, clean up the skatepark. Many of these parks are awesome but in poor repair.	6/11/2022 4:25 PM
25	The soccer field at murray park really needs some work done. it's been deteriorating over the years with not enough maintenance being done to it.	6/11/2022 2:55 PM
26	Weed control to the parks so that they aren't all dandelion fields. This would help keep children with allergies still able to come and play at the parks. Not sure how, but maybe some of the lower end parks could be ended, (eagle park, Horner park, etc.) and then it would give more time to maintain and better some of the more common parks for example selfridge and Barlow.	6/11/2022 1:47 PM
27	I am sorry to see the Senior Center in the park. It should have been put anywhere but in a park.	6/11/2022 1:41 PM
28	Thank you for creating this survey. It's a great tool and I hope many will use it.	6/11/2022 12:16 PM
29	Public pool	6/11/2022 11:24 AM
30	The trail at Murray Park needs to be redirected so there is place for parents and grandparents to park and watch that are not able to make it to the field. All ball diamonds should be rolled as all outfield have bad spots which cause rolled ankles. All infield need an overhaul. There is the Murray Park hop and the Barlow Park bullet that hurts kids yearly.	6/11/2022 9:24 AM
31	As a citizen here I would be happy to help with projects in the parks. They could use flower beds. We need to make these few parks the best they can be. Also all other little green space areas In The city need to be updated.	6/11/2022 8:18 AM
32	All of the parks could use updating to already existing structures at the minimum	6/10/2022 11:16 PM
33	I think it's great that you're thinking about the parks. I always felt like Ripon's parks were in pretty good shape, but I do think we should be open to finding ways to improve them!	6/10/2022 11:10 PM
34	Get rid of the walking trail at Murray Park and fix all the baseball/softball diamonds at Murray Park and barlow park	6/10/2022 10:15 PM

City of Ripon - Park Master Planning

35	All of the parks do need attention and updating as well as repairs some more than others but we moved To ripon last year and have enjoyed it so far, the only thing we wish is that the parks had more to do, also the splash pad park area could use some additional things or maybe even a small wading pool for ages 7 and under with the deepest part being 2-3 ft	6/10/2022 9:34 PM
36	Why is there no Special Needs Equipment for Aduts?	6/10/2022 7:37 PM
37	I would love to see more than just swings at Sandbar.	6/10/2022 7:21 PM
38	It would be amazing to not have mulch and do something that is longer lasting. Kids need lots of variety, maybe a built in music station with some more equipment variety. Landscaping would be generally nice to give the feeling of semi-privacy due to traffic (Ceresco park gets lots of street traffic, so it would be nice to have more landscaping)	6/10/2022 7:05 PM
39	Ripon needs an outside Pool, like many surrounding cities and towns	6/10/2022 7:01 PM
40	Again, just please fix the concession stands and allow us to provide better for the children and their families that participate in kids sports.	6/10/2022 6:45 PM
41	I would love to see updated play equipment. We love the new Menominee park playground in Oshkosh. Equipment like that would be wonderful.	6/10/2022 6:44 PM
42	Thanks for inviting feedback!!	6/10/2022 6:27 PM
43	This whole plan is a waste of money.	6/10/2022 6:18 PM
44	Again, a parks and rec situation of program for kids	6/10/2022 4:58 PM
45	Find a way for kids whose parents sign them up AAU to use the parks when not playing sports. The current usage seems to be of a certain type of crowd only. Need to draw in all kids.	6/10/2022 4:21 PM
46	We need more options for older kids - toddlers/young kids are already well served in our parks!	6/10/2022 4:12 PM
47	The trail system at Murray is waste of money. You took Ripon's best park and ruined it.	6/10/2022 11:47 AM
48	Outdoor swimming pool/aquatic center	6/10/2022 11:23 AM
49	Significant Investment and Partnerships are needed for all parks.	6/10/2022 6:52 AM
